

## No Smoking Policy

Children's health and wellbeing is of the utmost importance for the children in our care. Smoking has been proven to be a health risk and therefore in accordance with childcare legislation, Moulton Pre-School operates a strict no smoking policy within its buildings and grounds.

We respect that it is a personal choice to smoke, although as an organisation we support healthy lifestyles, therefore, parents are respectfully required to abstain from smoking whilst on the premises. This rule also applies to staff, students, carers and visitors within the premises or attending any trips or outings.
